

Brookby Dairy Farm

Parish Family visit

Saturday, June 29, 3 PM

62 Dover Furnace Road
Dover Plains, NY, 12522

As Brookby is a working farm, we offer educational tours (by appointment) and invite you to watch a milking.

Meet the Cows

We have a small herd of cows that our land can sustainably support. Our herd consists of various breeds such as Brown Swiss, Jersey, Guernsey, Lineback, and Holstein. Each breed brings their own unique personality to build our family.

Their market is fully stocked with farmstead cheeses, pasture-raised meats, fresh eggs, and food from local farms

Please let Stasia know if you are going at info@holytrintydandbury.org or at (203) 837-6248.
